Notes / Terms

Thank you for your business.

Terms & Conditions

1.1. PAYMENT TERMS as per the Contract

1.2. Delay in payment will result in delaying the overall project scope, and additional charges may be added in order to complete each project stage / monthly activities as specified in this proposal.

1.3. Failure to complete as scheduled payment within 10 business days of a completing work, or a milestone stage, will result in a loss of activities completed for your project within the milestone stage or specified work.

1.4 If project canceled, 70% of total invoice will be charged.

2. PROJECT COST

2.1. This proposal is specific to the client and particular project. The Total Project Budget (also referred to as final cost of final project cost) may vary per project, depending on the work involved. The final cost, outlined in this proposal, may not be applied

Notes / Terms

to a new project, as all projects are different. Time and cost are specific to each project, unless specified as a fixed cost verbally or in written form by Creative Dots.

2.2. While this proposal was intended to provide the most accurate and detailed estimate of the work and cost involved in this project, please note that the work involved and the cost (also referred to as fees or fee) for the work performed may vary.

2.3. Any work outlined in this proposal, which exceeds the estimated cost, will be added to the final project cost.

2.4. Any additional work requested before, during or after this project or additional costs incurred to complete this project, which are not outlined in this proposal, will be deemed as a project scope change and subject to additional costs.
